

NORTHWEST MARITIME CENTER
Port Townsend, Washington

Scholarship Application

The Northwest Maritime Center and Wooden Boat Foundation are dedicated to getting people of all backgrounds and incomes excited and involved in on-the-water activities. Through the generosity of our sponsors, we are able to offer a limited number of scholarships for our summer youth programs. Scholarships are awarded based on need. We can award up to 75% of course tuition.

We value your participation in our programs and would like you to become part of the Northwest Maritime Center and Wooden Boat Foundation family. The sponsors that support this scholarship fund have a genuine interest in the success of the students they have sponsored and at the end of every summer we send them a thank you letter for their support. One condition for receiving scholarship funding is for you and your child to write a thank you letter to our sponsors thanking them for the opportunity they have provided. It can be a short note that begins "Dear Sponsor," then outlines the experiences that were gained with this opportunity and what the student learned. This is a great way for us to appreciate our sponsors and to encourage support for future scholarships. We will email a reminder about this after the program.

This application is designed to gather information from both the parent/guardian applying for the scholarship and from the student who will be participating in the program. Please fill out both the student and parent/guardian portion of this application to your best ability. Please also register for the program(s) at nwmaritime.campbrainregistration.com. Select "I am applying for a scholarship" as your payment option.

Please note that all scholarship applicants must be under the age of 18.

If you feel you could benefit from our scholarship fund, please complete this application and email it to registrar@nwmaritime.org or mail it to:
